Hello everyone

Welcome to my first newsletter as President. I hope everyone is in good health. With spring having arrived, we are now going back to evening meetings. The next meeting will be Tuesday 1st October and I hope we see you all there.

At the September meeting I had great pleasure in presenting a Life membership to Maureen Sidwell, a well deserved award for services rendered over a long period of time.

It was great to see some new faces at the meeting. Please feel obliged to bring friends along and help us to gain new members.

On the 17th Sept I went in and had a hip replacement operation so may miss the next couple of club events, but Maureen is going to step in (again) and keep things ship shape.

Our Christmas meal has been booked for Sunday December 15th, more details to be announced.

I want to hold some workshops on memory setup – Registration setting – USB usage. Anyone that would like to learn more please phone or email me so I can plan it.

Hope to see you all soon

WARREN.

It was a lovely afternoon for our 7th Sept Club meeting, sunny but just a little cool. Not such a big attendance about 30 present with a few visitors to make up the numbers. Warren took up his new role as president and did a great job. Colleen hosted the afternoon and told some hilarious jokes, she is such a bubbly person and does it well. Once the music started, all was quiet. There was some great music like always. Bob played 2 beautiful pieces and as usual Carole did too in her quiet harmonious manner, so delightful. It's impossible to remark on everyone's performance but we all do our best to entertain our audiences. Warren finished the afternoon off in his very professional way as always, he is such a delight to listen to. Then came refreshment time. This is when we all relax, talk over our performances and chatter about things in general. We have the opportunity to get to know one another especially the new members and visitors.

Thank you to the committee and Colleen for hosting another enjoyable afternoon.

RAE

21st August. Warren's afternoon

It is always a pleasure to go to our afternoons monthly for Music and Socialising. There were about 18 of us there including Warren's Mum who is always nice to see, and Sharon joined us to enjoy the companionship. Lots of music and laughter and stories. Good reading of Mrs Fenemor's history. As usual a very tasty afternoon tea then more music. Warren then got going on his lovely organ and we were all enrapt. It's so lovely to hear. One comment I heard "We would have to pay \$100 to go and hear this anywhere else". Perhaps you should have put the "hat" out Warren. Lovely afternoon.

Thank you Warren and Sharon.

COLLEEN

Colleens musical Great grandchildren.

September 18th.

16 of us attended Carole's home. We had a lovely afternoon of chatter, I talked too much and went a bit hoarse, but I really enjoyed being with everyone as I can't always make the afternoons. Nice to have Marion with us she played some good catchy tunes. The two keyboards got plenty of use with some great music coming from those who played.

Carole served a delicious afternoon tea including her tasty sandwiches which we all love.

The men were in their comfy corner having a good old chat also.

Audrey Bob and myself had to leave a bit earlier than the others because of the low sunshine. It's quite dangerous driving, so good to get home before it gets too low.

Thank you Carole for a nice friendly afternoon in your lovely home.

VALERIE

I'm passing this on because it worked for me today. A doctor on TV said that in order to have inner peace in our lives we should always finish what we start. Since we could all use more calm in our lives, I looked around to find things I'd started and hadn't finished yet. I finished a bottle of Merlot, a bottle of Chardonnay, a bottle of Baileys, a bottle of wum, the remainder of Valium prescriptions, and a box of chocutz. You have no idea how fabulous I feel right now. Pass this wisdom on to all your friends who need inner peace. An Telum u Luvum.

A husband looking through the paper came upon a study that said women use more words than men. Excited to prove to his wife that he had been right all along when he accused her of talking too much. He showed her the study results. It read: "Men use about 15,000 words per day, but women use 30,000" The wife thought for a while, then finally she said to her husband "Its because we have to repeat everything we say." The husband said "WHAT?"

From the Committee :

To assist with the smooth running of the Club afternoons/evenings, could people please put their chairs on the stacks at the back of the hall when finished with them.

Please arrange for someone else to take your turn with either the raffle, or supper duties if you are unable to come on the evening you have been allocated.

Subscriptions are now due. \$15. Single \$25 for a couple. Please put your money in an envelope with your name on it and give it to one of the committee.

Feel free to bring a friend along to Club night – the costs is \$2 for an evening of entertainment and a cup of tea or coffee.

Remember the next meeting is an evening meeting on 1st October, starting at 7.30pm

As this year is the 40th anniversary of the Club we thought we would celebrate this with a theme at our Christmas dinner which is on Sunday 15th December at Teapot Valley. The night will be a "Red and Gold" evening, so get out your red and gold clothes, and find some music with a red and gold theme. We will be advising costs when Teapot Valley confirm, and times etc.

Is there any who would care to take on the treasurers position. If so please phone Warren. 5445237
