

NELSON ELECTRONIC ORGAN AND KEYBOARD CLUB. DEC. 2019

PRESIDENTS REPORT

Merry Christmas and seasons greetings to all.

Well it's that time again. I hope everyone is in good health. My hip operation went well and Maureen decided to get one too!!

The first workshop (on USB usage) was well received by the 7 members that enrolled.

We can do other workshops as the members request. Let me know what you would like help with.

Up-coming events have a December club night, Christmas dinner and a pot luck tea to start 2020 off, so keep the fingers exercised and the music flowing. We look forward to seeing as many members as possible attend these events.

1ST October club night.

The evening was not particularly warm with about 30 members present.

Warren looking good after his operation.

We sadly said our goodbyes to Rachel who we all loved and will miss. She is going down south to be with her family.

It was nice to see June G and Marion back again.

Joan Scott from the lakes hosted the evening, she was lots of fun and did a great job.

As the music got underway things settled down.

The theme was Rock and Roll very lively and David gave us a demo of his dancing. It really was an enjoyable evening . Lots of variety from the 50s Great music. Warren rounded things off by playing a lively piece in his usual professional way. Supper was served by our very special ladies with everyone catching up.

But as it was getting quite late we slowly headed home.

Thank you Joan , a great evening enjoyed by all.

16th October.

Pam and Davids afternoon

It was a lovely sunny afternoon. Approx 14 people attended for a musical afternoon and chitchat. It was lovely to see Diane and Bob with Bob looking much brighter, having "procedure" one over with.

Some enjoyable duos were performed by Warren and Pam, Yvonne and Warren, also solo pieces nicely played and a lively toe-tapping duo from Warren and Bob. A delicious afternoon tea was enjoyed by everyone before a final musical number or two and time to head for home. Thank you David and Pam for an enjoyable afternoon.

EDITH

5th November Club Night

Our theme for Tuesday was "Summer" and what a variety of music was played. There were only two who played the same, but in entirely different ways.

Everyone was in high spirits and Valerie ran the meeting with great gusto.

Although there were only 23 members there, it was a lovely time being all together.

Nice to see a visitor there as well as June McMahon who we hadn't seen for a while.

Good luck to Bob with your operation in Ch.Ch.

Supper ended our night as usual.

COLLEEN

November 20th.

It was another lovely day and 10 of us ventured to Motueka to Audrey and Bobs for our music afternoon. A few went into Motueka first for lunch so made a good day of it. Audrey and Bobs garden is so pretty with lots of colourful flowers. It is a credit to them. As usual we had some great music and some of us had a lesson on how to play the Tyros keyboard. Ann played the piano which was so nice to hear. Marion played a medley of tunes before we were treated to a scrumptious afternoon tea. We all had a good chat, then carried on with some more music. It was soon time for us to make tracks home. It's a lovely drive to Motueka around the coast so always a pleasant trip back.

Thanks Audrey and Bob for a happy friendly afternoon.
