

NELSON ELECTRONIC ORGAN & KEYBOARD CLUB. JAN 2020

PRESIDENTS REPORT

Welcome to 2020. I hope everyone had a great Christmas and New Year, caught up with family and friends, and had an enjoyable relaxing time. We had all the grandchildren (and their parents) staying with us, loved every minute but it was busy! Now time to start playing again, with our first club night being a pot luck tea. Please read the newsletter for the details.

We look forward to seeing you all for the meal but if you can't make it, the music starts at 7.30pm.

The Club's 40th anniversary went by late last year and the committee have decided to celebrate it on the first club night this year.

More cake at supper for everyone.

See you there

December Club Night

A lovely warm evening after a very stormy day. There was a nice group of about 30 members and friends present at our last club night for 2019. The Theme was anything xmas or your own preference. Most people played something Christmassy, it was lovely to hear some of the old songs coming back. Valerie and Warren played a catchy duet and Carole was her usual quiet self and came out and surprised us with 2 beautiful pieces. Jan is doing really well, she's only been with us a short while and has shown us her determination. We all do our best because we love music. Warren gave us a demo on the clubs Organ. He had done a few adjustments in the disc department. The raffle was won by Valerie (well deserved). Xmas has come and gone and now we are into the New Year.

See you all on the 4th Feb.

RAE

4TH FEB 2020. "The hall will be open from 5.30pm and tea will start at 6pm". Please bring a plate of food to share.

Your own crockery and cutlery, and glasses if they are bringing a drink. Help would be appreciated in the kitchen too.

We also ask people to take home any of their food which is left at the end of the evening. Don't forget your empty plates and cutlery also.

The meeting and music will start at 7.30pm as usual.

**See you all on the first club night for 2020

CHRISTMAS DINNER. TEAPOT VALLEY. 2019

As usual this was a first class evening and everyone enjoyed themselves.

We celebrated Davids 80th birthday and Pam made a lovely cake and it was shared by all who was present. Thank you Pam.

There was lots of chatter and fun throughout the evening.

2 very important people turned up, our Fairy and her Elf with xmas gifts for everyone.

Rattling of paper and happy faces was so great to see. Very festive.

A really tasty meal was available to us all and soon it was quiet while everyone enjoyed their meal.

Towards the end of the evening 4 keyboards got going with Warren, Yvonne, Lyn and Edith. Owen on his skittles and Marion on her xylophone. It was absolutely beautiful.

It was so good even the staff took time off to listen.

We must have that sort of entertainment earlier next time as some people had left for home and missed the great music.

Everyone enjoyed themselves but in time we all had to venture home.

Happy New Year to you all

COLLEEN
