2<sup>nd</sup> February Club Night.

Hosted by Rae.

Everyone was pleased to have our annual pot luck tea and get together to start 2021. Although there were not a lot there about 20 I think we all enjoyed each other and the companionship and music. Our club has shrunk a bit but those of us who manage to go always enjoy. Music. Is a very up lifting occupation and I always go home on a high. Lovely food for pot luck as usual. An enjoyable time was had by all. Thanks

20<sup>th</sup> February

Its always a delight to spend an afternoon at Pam and Davids just to relax, catch up and enjoy the music. It just happened to be Pams Birthday so I hope we all brightened her day. We signed a card for her and hope her health problems will soon be behind her.

There was about 13 of us present and Carole brought along some beautiful plums from her garden to share with us. We played a few pieces of music, but did a lot of talking as well. The afternoon tea was fit for Royalty. I must say how much we miss Marion and Pat at our music gatherings, we all hope they are doing OK and send our love. However time waits for no one and its time to pack up and go home.

The traffic is not so hectic on a Saturday.

Thank you Pam and David for a lovely afternoon.

2<sup>nd</sup> March club night.

Bob was our host for the evening and did a great job, told some hilarious jokes and kept things rolling nicely. There was just a small crowd, but we had a great time as we sang along with the music. Some good old Country Music. We hope all those who couldn't make it for whatever reason will soon be able to come along and join in the fun. Everyone who got up and played made a real impression on us all. Lyn Simmons, so lovely to see her coming along and playing so beautifully. Colleen getting up there, she is such a blessing to us all, as she gives it a go and I can tell you its not easy. She played very nicely. Jan who is committed to her music and does so well. I really can't say enough about the effort everyone goes to to make our evenings such a success. Supper was served and everyone helps to tidy up and chats away before they leave for home.

THANK YOU BOB it was a great night. **RAE T.**

20<sup>th</sup> March Saturday.

Around 15 of us attended Lyn's afternoon. I dropped Don off at his 100yr old sisters who lives not far away in Tasman St. so I was able to join everyone for a lovely afternoon of music and chatter which we all enjoy. Lyn has a great place for us all to gather in. Two keyboards going and Marion on her xylophone, the music was so good it had all our feet tapping. Its always hard to have to head for home but we all feel pretty good after such a pleasant afternoon, full tummies after the scrumptious food. I really enjoyed catching up with all those who were there.

Thank you Lyn for the lovely afternoon.

### **PRESIDENTS REPORT.**

Another 2 months have passed. Its Easter now, and as I write this the weather is turning ... a much needed rain might be coming. Daylight saving ends on the 4th April, so longer nights inside for us to play more music.

Thanks to all the club members that managed to see my daughter Adrienne playing the Korg at her 2 gigs in Mapua. They were great nights. Club nights and the club afternoons are going well so hope to see you at our next event.
