Spring time again so beautiful

4th. August. Club Afternoon.

A great afternoon at the Music Club on Saturday. Yvonne was host and Warren was acting president while Maureen was away. They were a lot of fun. The theme was "European Composers or Winter".

The day was just like spring and there was a good crowd of members, friends and also two of Warren's pupils which he teaches Piano and Keyboard. They showed us how talented they were by playing some amazing pieces of music. The younger lad played a duet with Warren, the older one certainly has a gift for music and will have a wonderful future if he keeps it up.

During the music items Yvonne decided we would play a game instead of telling jokes, just something different. She would play a few bars of music and the audience had to jot down the name of the piece she was playing. She was very apologetic at the end because she had left the prize at home on the kitchen table (so funny). Yvonne's Theme created a great variety of pieces which were so nice to listen to and resulted in us all enjoying the way in which they were presented to us. It was now time for Warren to give his performance but this one was on his piano accordion. So lovely.

It was nice to have June and Elaine back with us after their health issues which have plagued them throughout the year and hope Valerie is on the mend as she also has been unable to join us. June played as though she had never been away.

Towards refreshments time it became quite cold, so we were all grateful for a nice hot cuppa and some goodies which the lovely ladies in the kitchen had prepared for us. After catching up with everyone people began to head home. It was really a very nice afternoon.

Thank you Yvonne and Warren for such a fun time

PRESIDENTS REPORT

Hello Everyone

Spring has sprung with new growth sprouting everywhere and what a lovely time of the year it is. I'm sure you are all enjoying the brighter warmer days. Our winter afternoon meetings seem to have been well received but this October, meetings will again be on the Tuesday evenings. Suggested theme for this meeting is to be "Latin" and \ or a tune with no more than six letters in the title. So there's a challenge for you. See you all then. Cheers,

MAUREEN

18th August

We had a very nice afternoon at Pam and Davids on Saturday, there was only a small family of us but some were on holiday and that happens.

Pam was her usual bubbly self, told us some stories, she can be quite a character, she also showed us where her head went through the wall in the hallway.

It was fine and sunny which made our afternoon more enjoyable. There was a few of us that played some music but we really did a lot of talking.

The afternoon seem to go rather fast and cuppa time soon came round, the spread was lovely as usual and enjoyed by all.

Pam's doing really well now, we all wish her well in her recovery.

As time moved on we slowly headed home after a very pleasant afternoon.

Thank you Pam and David for your wonderful hospitality.

1st September Club Afternoon

We had a fine sunny day to get together for our last Saturday afternoon club meeting which was run by Rae. There were 28 members-present and a couple of visitors who are always welcome. Rae's theme went down well and only 2 pieces were played as repeats.

A lovely selection of music and very enjoyable. Pam supplied the Raffle and Carole was the lucky winner.

The hall was a bit warmer thank goodness.

A good afternoon of music and companionship.

Thank you Rae

September 19th Warrens Afternoon

What an enjoyable afternoon we all had at Warrens. It was a lovely day and about 25 members and friends came along. Music rolled on all afternoon, just lovely. We had so much fun and the chatter was loud and ongoing. It was lovely that Warrens Mum could come along and enjoy the afternoon with us. As the girls played their music Warren accompanied them on the piano or the organ, the sound was lovely. Time went by real fast, as it always does when one is enjoying themselves, and refreshment time was upon us. Warren was a pretty good host but the girls all got in willingly and helped him, there was a spread fit for royalty. Things quietened while we enjoyed our feast. Soon the music was up and going again, Warren entertained and Yvonne played along and Maureen gave a little item. We asked Warren if he would play us a march to end the fabulous afternoon, he obliged by playing the "Invercargill March" he had the crowd really going, Owen and Colleen played their whistles others clapped to the beat it was really quite moving and very enjoyable. Then some folk started heading home after such a great musical afternoon. Thank you Warren you're a wonderful entertainer.
