Nola and Barry's afternoon

What a lovely time we had with Nola and Barry on the 5th June. It was so hot we had to shut out the sunshine. The music flowed and as usual plenty of chatter. It was lovely to see Gladys on a Wednesday and she played for us as well. Warren gave Nola's piano a really good workout. All went home with feijoas and/or passion fruit.

Thank you Nola and Barry for sharing your home and giving us a most pleasant afternoon. (Brian)

Wednesday 19th June

Today was Rod Ruffels' afternoon that was held at the Baptist Hall Stoke, a great venue. Raining again but still 18 members were out and about. Lots of good music as there is a piano there as well. Duets by Pam and Warren and Warren gave a very informative talk about setting up sounds on the Keyboard. Thank you Rod and Rosie.

July 3rd afternoon at June Guthardt's.

11 members spent a most enjoyable afternoon of music, laughter and food round June's woodburner. Isn't she lucky to still have one. We all know now how to return the Club Keyboards music finder back to Alphabetical order. Do you?
Many thanks to June (Y.R.R.)

Midwinter Luncheon Sunday 16th June

It happened to be a terrible wet day but still 16 of us turned up at The Honest Lawyer. We had two keyboards going and lots of music and very fine food. Nobody started to go home until about 3.30. It is a warm cosy venue. Special thanks for Yvonne for organizing our day out.

17th July Yvonne's afternoon.

It was a great afternoon. With the choice of keyboard, organ or piano lots of great music was forthcoming, and a couple of duets were also heard. Happy birthday was played for the host and her sister Shirley was also visiting from Aussie. Looking forward to the next one. (Y.R.R.)

Glen Miller Bigband

A big percentage of our Organ Club members were seen really enjoying the music at the Glen Miller Orchestra show. Your roving reporter was there too. What a fantastic night.

Club night Tuesday 2nd July

Come on everybody where were you? There was no frost no ice no fog no rain no AGM and it was 11° outside and warm in the hall. We have at present 61 members and only 20 turned up. We all know where Maureen was so our kindest regards to her for a speedy recovery.

Our theme for the evening was a piece with one word for the Title. Lots of names were played as in Joanne, Norman, Nikita, Charmaine and Waves. He, She, Volare, If, Memory, and When.

Theme for next month is Animals. Oh well, the kitchen staff got off light with not many cups to wash. (One of your committee)
