PRESIDENTS REPORT

Greetings everyone,

Here we are with one month of 2018 already been and gone. I hope the new year has been kind to you all and you've enjoyed good health and much relaxation. I've found it particularly hot and welcomed the rain. It was amazing though how quickly everything greened up with the advent of that rain.

We're looking forward to a year of good music and fellowship starting off with our pot luck meal hopefully to be served at 6.p.m. See you all then.

Cheers.

MAUREEN

I had iPad problems.

CHRISTMAS SOCIAL DINNER It was a beautiful warm summers evening to celebrate our end of year xmas dinner at Teapot Valley. There was just a nice crowd of people and the meal was usual, with any amount of food for seconds. Warren kept the music rolling like always with plenty of Xmas Spirit in the air. Some of the members played as well so there was quite a variety of music throughout the evening.

Then it came time for father xmas and his fairy to deliver the gifts which Edith and Owen were so funny they really made the evening a huge success. As time lingered on some folk headed home, but still the music was flowing. Carol and Warren rounded the evening off with a Duet which was so lovely. Time lingered on and about 9.30pm we all packed up and headed home after a great evening.

5TH DECEMBER CLUB NIGHT. Our host was Maureen and the theme was "XMAS". There was not a huge crowd rather disappointing really for our last club night of the year. Some of our members have worrying healthy issues and our thought and prayers fo out to them. The evening went well with a great selection of Xmas music and a few extra keyboards. Maureen told some good jokes so we had a laugh as well and warren won the raffle. Time soon came round for supper to be served by our very valuable helpers always willing and able, that created a lot of chatter and soon people started heading home after a lovely evening. We can now look forward to the New Year with our Pot Luck tea on the 6th February 2018 our first club night of the year, lets make it a night to remover with a big attendance and some of our favourite music
